

PRESS RELEASE

PHARMATEK SOLUTIONS INC. AND PITTS QUALITY CONSULTING SIGN MERGER AGREEMENT.

EXPANDING SERVICES TO LIFE SCIENCES BUSINESSES GLOBALLY

San Ramon, CA and Siler City, NC – 02 January 2024 – Today, Pharmatek Solutions Inc. and Pitts Quality Consulting announced the finalization of a merger agreement that will expand their global reach and services to clients.

The combined company will operate under the Pharmatek Solutions name and the headquarters will be located in San Ramon, CA. With this merger, Pharmatek Solutions will solidify the company presence on the east coast, with the opening of a new office located in North Carolina.

The merger with Pitts Quality Consulting solidifies Pharmatek Solutions Inc. as a leader in the area of GxP Quality and Validation services for the Life Sciences industry. Jeanine Pitts of Pitts Quality Consulting will be taking on the role of Global Head of GxP Quality and Compliance and will lead Pharmatek Solution’s GxP quality team to develop new services and incorporate best practices that she has gained over her twenty years in the life sciences industry.

“We are very pleased to have Jeanine on our team” commented Vinay Parachuri, CEO of Pharmatek Solutions. “We have worked with Jeanine over the past few years and have found her an asset in all of our interactions. We are looking forward to growing Pharmatek’s offerings with her input and guidance.”
